## Consent to Publish

Title of Contribution (hereafter, the “Work”): *The blob complex*

Author(s): *Scott Morrison and Kevin Walker*

Name of Publication: *Geometry & Topology*.

Publisher: Mathematical Sciences Publishers.

### I PREAMBLE

- 1 **Mathematical Sciences Publishers** (hereafter, the “Publisher”), a California nonprofit corporation and the publishers of *Geometry & Topology*, requires authors of articles in its publications to provide a formal written Consent to Publish. The signed Consent to Publish gives the Publisher the permission of the Author(s) to publish the Work.
- 2 The Publisher hereby requests that the Author(s) complete and return this form promptly so that the Work may be readied for publication.

### II BASIC PROVISIONS

- 3 The Author(s) hereby consents that the Publisher publish the Work.
- 4 The Author(s) warrants that the Work has not been published before in any form except as a preprint, that the Work is not being concurrently submitted to and is not under consideration by another publication, that all Authors are properly credited, and generally that the Author(s) has the right to make the grants made to the Publisher complete and unencumbered. The Author(s) also warrants that the Work does not libel anyone, infringe anyone’s copyright, or otherwise violate anyone’s statutory or common law rights.
- 5 The Author(s) gives the Publisher unlimited rights throughout the world for all terms of copyright:
  - (a) to publish and distribute the Work in any form and in all media now known or hereafter discovered;
  - (b) to translate the Work and exercise all rights in all media in the resulting translations;
  - (c) to transfer or sublicense the foregoing rights in whole or in part to third parties; and
  - (d) to accept and retain payment for these.

### ~~III TRANSFER OF COPYRIGHT~~

- ~~6 The Author(s) hereby transfers to the Publisher the copyright of the Work. As a result, the Publisher shall have the exclusive and unlimited right to publish the said Work and to translate (or authorize others to translate) it wholly or in part throughout the world in all media for all applicable terms of copyright. This transfer includes all subsidiary rights, subject only to the following:~~
- ~~7 The Work may be reproduced by any means for educational and scientific purposes by the Author(s) or by others without fee or permission, with the exception that reproduction by services that collect fees for delivery of documents may be licensed only by the Publisher. The Author(s) may use part or all of this Work or its image in any~~

~~future works of his/her/their own. In any reproduction, the original publication by the Publisher must be credited in the following manner: "First published in *Geometry & Topology* in [volume and number, or year], published by Mathematical Sciences Publishers," and the copyright notice in proper form must be placed on all copies. Any publication or other form of reproduction not meeting these requirements will be deemed to be unauthorized.~~

~~8 In the event of receiving any request to reprint or translate all or part of the Work, the Publisher shall seek to inform the Author(s).~~

IV OPTION TO RETAIN COPYRIGHT

9 If the Author(s) wishes to retain copyright of the content and image of this Work, in the Author(s)' name(s) or the name of a third party (e.g., employer), the Author(s) may strike out the contents of Section III above. If copyright is not to be transferred to the Publisher, please indicate who the copyright owner(s) should be:

**the authors**  
.....

10 The copyright holder retains the right to duplicate the Work by any means and to permit others to do the same with the exception of reproduction by services that collect fees for delivery of documents, which may be licensed only by the Publisher. In each case of authorized duplication of the Work in whole or in part, the Author(s) must still ensure that the original publication by the Publisher is properly credited.

V SIGNATURE

11 This form is to be signed by the Author(s) or, in the case of a "work made for hire," by the employer. If there is more than one Author, then either all must sign the Consent to Publish, or one Author may sign for all provided the signer appends a statement signed by all the Authors that attests that each Author has approved this agreement and has agreed to be bound by it.

12 This Agreement will be governed by the laws of California and will be binding on, and inure to the benefit of, the Author(s)' heirs and personal representatives and the Publisher's successors and assigns.

*Please note: If the Work was created by U.S. Government employees in the scope of their official duties, the Work cannot be copyrighted, and Section III of this agreement is void and of no effect. The Consent to Publish must nonetheless be signed.*

Date: **25 April 2012**
